*** Services provided and invoiced by Phillips Jackson Appraisal**

Meghann Jackson is an accredited commercial real estate appraiser, holding the AACI, P. App. designation through the Appraisal Institute of Canada. Meghann is a partner at Phillips Jackson Appraisal, working in association with BW Ferguson and Associates.

Meghann specializes in Real Estate Consulting, Valuation and Market Analysis. Meghann provides valuation and advisory services to a variety of clients including financial lenders, developers, small business owners, multinational corporations, institutional clients and Real Estate Investment Trusts.

Experience Highlights

Meghann is experienced in valuation across all asset classes including retail, office, industrial, and multi-family properties.

Meghann is skilled in new construction projects, vacant land, and value-in-use valuation. She is also knowledgeable in institutional and special-use properties, rural appraisals, and consulting reports.
